IMPORTANT: Volunteer coaches and coordinators are needed in all age groups, please register to volunteer when registering your child. Volunteer "Coaches" and Coordinators will be refunded the registration fee less service charges. No experience needed just a willingness to be involved with and help kids.

General Recreation program information: Separate leagues for Boys and Girls. Uniforms will be provided for all age groups. Referees will be provided for age group U8 above. We hope to be able to schedule at least one practice in December but this is still TBD. Your Coach will contact you with your start date. Games will start immediately after 1/1/26

READ CAREFULLY: We will do our best to accommodate U5/U6-2020/21 and U8-2018/19 team and player placement requests, entered in the registration system. Requests granted based on a first-registered/first-to-be-placed basis, however our ultimate aim is to balance teams by age and skill level, this could mean a child would be on a different team and have a different coach than a previous soccer season. U8-2018/19 is the last age group that will consider team and player assignment requests before balancing teams. Requests for age groups U10 through U14 are not guaranteed as these teams are selected by the coaches and balanced the best as possible by skill levels. **Dates of play and times are contingent upon the number of registrants. This information will not be available until early August. Games will be on weekends and practices on weeknights. Refunds for conflicts will be given prior to the start of practices/game.** For information on this program visit our websites at www.whitemarshrec.org and <http://perryhallrec.com>.
